Cesar Castrejon

Data Analyst & Engineering Student

An ambitious, hard-working, down to earth person. I enjoy having a balance between professional development & a family life. I believe professional life gives you exposure, confidence & sense of achievement. As for my personal life, i enjoy spending time surrounded by friends and family. Avid car enthusiast, sports analytics fanatic and a film aficionado.

WORK EXPERIENCE

Freelance Developer
CONNECTICA SOLUTIONS

05/2018 – 06/2018   *Houston, TX*

Connectica Solutions provides Voice over IP services to both foreign and domestic companies.

Achievements/Tasks

- Developed an automated process (using Python) that took incoming billing data from service providers and performed the necessary adjustments. All formats were normalized, merged and then processed in order to bill customers in a monthly manner.
